Please patronize these companies  
that provide this valuable service

**Note:** Any store  
selling new batteries  
is required to take  
back old ones.

**Brake Fluid**-is alcohol-based. It's toxic when ingested. When bleeding brakes, catch the runoff in a jar. Brake fluid from a jar that's been opened for more than a few months probably has absorbed Enough water to reduce its boiling point past the point of safety. To dispose of new or unused Brake fluid, pour it into a container of cat litter. The brake fluid will evaporate within a few days. As with paint, keep this away from pets and children, and any source of ignition.

## Compact Fluorescent Bulbs – CFL's

### IKEA

Ridge Pike, Conshohocken, PA

[www.sylvania.com/Recycle](http://www.sylvania.com/Recycle)  
[www.lamprecycle.org](http://www.lamprecycle.org)

### Home Depot

### True Value

**Waste Management – mail back program**  
[www.thinkgreenfromhome.com](http://www.thinkgreenfromhome.com)

**Bring to an HHW event – If an HHW event is not available – Seal in 2 plastic bags with a twisty tie if necessary and place it in the trash.**

### If a fluorescent bulb breaks – Recommended Practice:

Close off the room to other parts of the building. Open a window to disperse vapor and leave the room for at least 15 minutes. Wear disposable gloves. Scoop fragments with stiff paper and wipe area with a damp disposable paper towel to remove glass fragments. All fragments should be disposed in a sealed plastic bag. Tape can be used to pick up small pieces and powder. Do not use a standard vacuum cleaner. Avoid generating dust. The first time you vacuum, remove bag and dispose in 2 sealed plastic bags.

# FREON RECOVERY INFORMATION

The Clean Air Act of 1990 requires recapture, recycling, and safe disposal of chlorofluorocarbons (CFCs) and hydrochlorofluorocarbons (HCFCs) used in air conditioners, refrigerators, and freezers as coolant. Under the Act, no one may accept an item containing CFCs and HCFCs for recycling or disposal unless the Freon contained within it is properly removed and the owner/hauler/appliance company can show proof of proper removal. It is also unlawful for any person to knowingly release or vent CFCs or HCFCs into the air. The EPA requires certification for all technicians removing Freon as of 11/14/94. For more information, call the EPA's Stratospheric Protection Hotline at 800-296-1996.

## Centers for Freon Removal

1. Contact the company from whom you purchased the new appliance. Many will take back the old appliance and remove the Freon (fees may be charged).

Check with your hauler. Some haulers will take appliances containing Freon from their customers, remove the Freon and recycle the appliance for a lower fee than those charged by appliance centers. Others will only remove appliances with certification that the Freon has been removed. Call for more information

### Haulers removing appliances containing Freon:

AJ Blosenski Do-Away & Hauling – 610-942-2707  
(Customers only)  
Allied Waste –West Grove 610-869-2222  
Allied Waste-Valley Forge 610-265-6337  
RT Opendaker & Sons, Inc. 610-459-3515  
Waste Management of PA 610-367-1300 (Service area only)

### Haulers removing appliances with certificate of Freon removal

Charles Blosenski Disposal 610-942-2480  
(Customers only)  
John L. Blosenski & Sons 610-459-1135  
Diehm's Disposal Services 610-273-9621 (Service area only)

The above list may not include all haulers who provide this service.

2. West Chester residents-Take the unit to Public Works (610-869-5282). Pick up and drop off for a fee.
3. Coatesville Residents - 610-384-2861
4. Chester County Solid Waste Authority-Lanchester Landfill-7224 Division Hwy., Narvon, PA 610-273-3771
5. SECCRA area residents\* Take the unit to SECCRA Landfill (610-869-2452) for a \$12 per unit charge.
6. East Whiteland Township – Spring & Fall collection – call public works for drop-off or curbside pickup.
7. Contact an appliance service center. Check in the yellow pages under “Appliances-Household-Major-Service & Repair” for an appliance service center that performs Freon retrieval/appliance disposal. After removal is certified, appliances may be recycled at a scrap dealer. Prices vary, call several centers.
