

## UNAPPROVED VERSION

### Minutes from Historical Commission

May 1, 2013

- I. Meeting called to order by Joe McCormick at 6:30 PM.  
Motion made to accept minutes of the April 3, 2013 meeting seconded by Garth, unanimously approved by members present.
- II. Attendees: Garth Monaghan, Joe McCormick, Sue Monaghan, Buddy Rhoades.  
Absent members: Lee Slingman, Fred Bissinger
- III. OLD BUSINESS
  - a. Chester County Transportation Improvements Inventory will add Frog Hollow Bridge and the Mortonville Bridge back onto the list. There may be funding available through the Transportation Alternatives Program; potential availability will be known in the fall.
  - b. New owner of 2960 Strasburg Road came to the meeting to ask questions about a shed structure on the property. The shed is not of historical significance. Any further questions can be addressed to the township engineer and the Planning Commission.
  - c. Denise is willing to update the Windshield Survey, if given the new information.
  - d. Buddy is collecting photographs of the township through the years to post on the website.
  - e. Mortonville Bridge – at this point the Commission would like to see the bridge completed to the original plans before we discuss the plaque.
  - f. Frog Hollow Bridge – see item a. and Garth will follow up with the township engineer regarding township line statement corrected in the documents presented by a resident and his surveyor.
- IV. NEW BUSINESS
  - a. 205 Buck Run Road – referred back to the township engineer, Planning commission and the BOS.
  - b. PA Heritage Foundation – renewal of membership
- V. Meeting adjourned at 7:12 PM.

Next meeting is June 5, 2013.

Respectfully submitted,

Sue Monaghan
