

Historic Commission July 8, 2009

Members present: Fred Bissinger, Paula Coyne, Lee Schlingman, Sue Monaghan, Garth Monaghan, Arthur DeLeo

Topics discussed:

Historic Inventory - Corrections are needed to incorporate all properties. Questions regarding properties identified on one source need to be clarified as they are compared to this document. Meeting with Jane Dorchester set for July 20.

Glen Rose and Mt. Carmel Roads - Burned Cider Mill property has been cleaned up and secured by real estate company in response to several written contacts made to the township. The lot size has yet to be determined. Building id listed in the Glen Rose Historic District and is a contributing factor. The Township Ordinance that pertains to Historical Resources will be reviewed before any actions can be taken. Potential buyer has contacted the township.

Gladden House- Lee Schlingman called owner New construction to close Providence Hill which was encroaching their property. Owner spoke with zoning officer and issues have been resolved.

Township Historical Commission Letter of May 27, 2009, K & W Project No. 2041.004 South Brandywine Middle School, Request from K & W Engineers to review plan. We advised them pursuant to our ordinance to present plan to Planning Commission initially so we can review Planning Commissions Notes. (see Attached letter)

Please post Minutes, Thank you very much.

Sincerely,

Arthur De Leo
