Important Solid Waste and Recycling Collection Information for 2024

Dear Resident,

Please be advised that East Fallowfield Township has awarded A.J. Blozenski, Inc. the Solid Waste & Recycling Collection contract for a term of three years beginning on January 1, 2024. Our services will consist of the following:

- Weekly collection of household solid waste (every Friday except during a "scheduled" holiday week, then on Saturday);
- Bi-weekly collection of recyclable materials every other week (alternating East/West weeks on Fridays except during a "scheduled" holiday week, then on Saturday); and
- Monthly collection of two bulk items on the first solid waste collection day of the month.

Please note that your current collection dates and trash/recycling/bulk schedules WILL NOT CHANGE. Your weekly pickup day will still be Friday, and you will continue with the current East/West recycling schedule that is already in place.

A.J. Blozenski will primarily be utilizing automated trucks. Please use the trash and recycling carts provided to you, and follow the recommended guidelines:

- Place your cart out the night before your collection day.
- Place the cart on a level surface with the cart opening facing the street. Cart should be at least two feet away from permanent structures including mailboxes, walls, lamp posts, and vehicles.
- Avoid placing the cart near low-hanging branches and wires.

Please review the contents of this flyer, which includes the 2024 recycling collection calendar. This calendar also indicates the dates of our "scheduled" holidays. If you have any questions, please contact the East Fallowfield Township office at trash@eastfallowfield.org.

Thank you, and we look forward to servicing the residents of East Fallowfield Township!

Best regards,

A.J. Blozenski, Inc.
