

**East Fallowfield Township
Job Description**

Position Title: Laborer (Part-Time)
Reports To: Road Foreman
Supervises: N/A
Union Affiliation: Teamsters Local 107
Classification: Non-Exempt
Pay: \$25.22/Hourly (No benefits)

I. DESCRIPTION

The purpose of this job is to perform extensive, strenuous manual labor relating to the maintenance and repair of East Fallowfield Township’s roads, parks, and other property. The Laborer reports directly to the Township’s Road Foreman and the Assistant Road Foreman (in the absence of the Road Foreman)

Duties and responsibilities include, but are not limited to, the following: operating vehicles relating to the maintenance and repair of Township roads, parks, and other public property, as is assigned by the Road Foreman; performing strenuous physical labor; and performing manual labor during severe and/or inclement weather conditions. Part-time laborer employees must work less than 120 hours per month.

II. GENERAL JOB RELATED REQUIREMENTS

- May be required to work on nights, weekends, and holidays, including religious holidays.
- Regular and predictable attendance is required.
- Must work cooperatively with others.
- Must relate to Township citizens in a professional, courteous, and respectful manner.

III. ESSENTIAL JOB FUNCTIONS AND RESPONSIBILITIES

The following duties are normal for this job. These are not to be construed as exclusive or all-inclusive. Other duties may be required and assigned.

- Reports directly to the Road Foreman on a day-to-day basis.
- Perform daily manual labor to maintain and repair the Township’s facilities, parks, roads, roadside drainage swales, culverts, pipes, and other public property. The manual labor to be performed involves strenuous physical effort and exposure to uncomfortable working conditions.

- Operate various equipment, including, but not limited to, dump trucks (with or without a plow and cinder spreader), road mowers, and numerous types of hand and power tools.
- Plow snow (as well as spreading salt and anti-skid) on the Township's roads, at Township facilities and at other public properties.
- Pave and patch roads; patch road surfaces by cleaning potholes, apply patching material; level and compact road surfaces; clean and ditch roadside draining swales; install and clean culverts and pipes.
- Direct traffic and perform duties of a flagman in work zone areas.
- Perform maintenance duties on Township vehicles and equipment such as: washing and cleaning, oil changes and lubrication; minor repairs; loading and unloading materials and tools from trucks and other heavy equipment.
- Cut grass, brush, trees, and branches by using hand and power tools; paint Township Street signs; erect and repair road signs; and sweep road intersections of accumulated gravel and debris.
- Follow instructions given by the Road Foreman on new duties, but once standard operations are learned, the person in this position is expected to work without constant direction.
- Follow proper safety procedures.
- Any other tasks or duties deemed necessary or appropriate by the Road Foreman, Assistant Road Foreman (in the absence of the Road Foreman) or Township Manager.

IV. (ADA) MINIMUM QUALIFICATIONS OR STANDARDS REQUIRED TO PERFORM ESSENTIAL JOB FUNCTIONS

Physical & Mental requirements

- The person in this position constantly works and performs physical manual labor in outdoor weather conditions.
- The person in this position will be exposed to severe and/or inclement weather conditions when performing the work required by the position, as well as when traveling to and from the job.
- The person in this position constantly operates, moves, and transports various vehicles, equipment, and machinery, all of which may present a danger of injury, serious injury or death. The person must be able to use body members to operate, work, move or carry equipment, objects, or materials.
- The person in this position will constantly be required to lift tools, equipment and other objects weighing up to eighty (80) pounds.

- The person in this position must have minimum levels of eye/hand/foot coordination.
- The person in this position constantly positions oneself to perform physical labor in a standing, crouching, stooping, kneeling or crawling fashion. The person may occasionally be required to ascend/descend a ladder or other similar device to perform the essential functions of the job.
- The person in this position may be required to communicate with individuals in-person and via telephone. The person must be able to hear, speak, signal, or otherwise convey and exchange accurate information in these situations.
- The person in this position is required to have the ability to learn and understand relatively complex principles and techniques; to make independent judgment in the absence of management.
