

EF Historical Commission

December 9, 2009

Members present: Paula Coyne, Lee Schlingman, Sue Monaghan

Supervisor: Garth Monaghan

New Business:

Interviewed 2 candidates for positions on the Historic Commission – both candidates will be recommended to the BOS for approval.

Meet with a township resident who has purchased an abandoned building. Resident has applied for a demolition permit of a Class 1 structure.

Recommendations: Photographs need to be taken and floor plan documented.

Commission has asked resident to keep as much of the foundation footprint as possible.

Steps required: Garth will meet with contractor to establish a workable plan, Lee will photograph and measure the building, Paula will contact Jane Dorchester about documentation and procedural issues for the PA Historic Commission. Sue will generate a letter to the BOS outlining plan.

Old Business:

Bridge work seems to be on schedule!

Respectfully submitted,

Sue Monaghan
Secretary
