

EFHC report of June 13, 2007

EFHC met Wednesday, June 13th at 7pm. All members were present. Our discussion revolved around the mission statement for the new township website. *A corrected and revised version has now been sent electronically to board members for final approval before submission to township webmaster for posting on the website.*

We then worked on plans for the July 12 ***Town Tours and Village Walks*** in Mortonville. Jane Dorchester's synopsis of the History of Mortonville from the Mortonville Pennsylvania Historic Resource Survey Form was distributed. Some members will attend the June 14th Kennett Square and 21st Marlborough Village tours to get ideas on how they are done. It was decided to get together at Rick Rasmussen's Wheelwright Shop on Monday June 25 at 7pm to run through the tour route and collaborate on research notes. Volunteers interested in participating on the 12th were encouraged to attend.

Details of suggestions included having docents stationed at certain structures to give their history and well as displaying memorabilia in the Wheelwright shop at the start of the tour. We would have a storyteller at the dam to weave tales of Mortonville colorful history.

We also discussed the desire for a trifold brochure guide to be created of the village for the tour.

Respectfully submitted
Paula Coyne, Chair
