The
Book Thief
by **MARKUS ZUSAK**

Trying to make sense of the horrors of World War II, Death relates the story of Liesel--a young German girl whose book-stealing and story-telling talents help sustain her family and the Jewish man they are hiding, as well as their neighbors.

Book discussion group meets the second Monday of each month at Noon in the Meeting Room of the Coatesville Public Library. Bring lunch or snack if you wish. Discussions usually last between 60 and 90 minutes. Copies of the book will be available for checkout at the library three weeks before the discussion.
